

Come and talk **health**

Support for you

What we offer

- Out-of-pocket expenses when you get involved in our work
- Reward for some types of involvement
- Full briefings if you are involved in complex work
- Consideration of any training needs that you might have
- Help if you need support to attend a meeting
- Help with the cost of care for a family member while you get involved

Come and talk **health**

Have your say and get involved in
your local NHS

Come and talk **health**

Have your say and get involved

You can help us to develop health services that are right for you by telling us what you think.

Your opinions, experience and feedback make a difference to the healthcare services that are provided across the county.

Information updates about NHS Oxfordshire

NHS Oxfordshire wants to keep patients and the public informed of what is happening on a day-to-day basis.
