Reflections on the Sermon

We value Servanthood and Spiritual Authority

1. Servanthood and authority in God

a. Are there areas of my life where I am not responding to God's authority? Where I am simply saying 'No'?

2. Servanthood & authority in the church

a. In what sort of circumstances do I find it hard to be a servant, at work or in the church?

b. In what areas do I find it easiest to exercise my God-given authority? And in what areas do I need to grow?

c. Why is it hard sometimes to hold servanthood and authority in balance in our life?

3. Servanthood and authority in leaders

a. How do I receive the leaders in my church? Do I love & trust them? Submit to them? Pray for them?

b. Am I secure enough in who I am and in who they are to bring things to them?

c. What are some of the best ways to show our support?
