## Sermon Notes:

### We value Generosity

If the Kingdom represents the king then we need to intentionally think about him and live as he lives:

#### 1. Generous God

God doesn't have to give but he does abundantly, eg. Psalm 23v5-6; Psalm 112v5; Acts 14v17

#### 2. Generous people

- a. With out finances, eg. 2 Corinthians 8v2
- b. With our time and emotional energy, eg. Mark 6v31ff
- c. With our homes and personal space
- d. With our worship, eg. Mark 14v3

#### 3. For reflection

Without being harsh or critical, evaluate your generosity on the four areas.

How can we work the four areas out practically?

How does tithing relate to financial generosity?
